25th 26th 27th

January 2012

Manfeild, Feilding

ENTRIES CLOSE SUNDAY 20TH NOVEMBER 2011

Dear Exhibitor

On behalf of the New Zealand Dairy Event's Management Committee in conjunction with Manawatu Show Promotions, I would like to challenge all breed enthusiasts to participate in this prestigious national dairy event.

A lot of work has been done by the committee to ensure those attending will be well catered for and we know you will end up having a memorable and enjoyable time.

The magnificent Manfeild Agri-Centre facilities are second to none and I believe are the best in the Southern Hemisphere if not the world for exhibiting cattle.

For our fourth event we have once again a very challenging programme with some new features that will take this year's event to a even higher level.

A special feature at the 2012 event is the holding of the New Zealand Milking Shorthorn Association's North Island Female Championships.

This is not an ordinary show - make no mistake about that!! With top prize money and the amazing facilities, it certainly attracts the very best cattle from all around New Zealand.

We have continued with the major focus being on the farming youth of our country, as we all know, they are our future. The challenge we now have is to get all the dairy farming fraternity to make a concerted effort and get their youth involved.

One of the features will be the Semex Summer Sensational Sale. If you have an animal for this please do not hesitate to contact us.

Manfeild Park is ideally situated for both islands to attend. You are only 10 minutes from Palmerston North, regarded as the hub of New Zealand

If you have any further enquires please contact either:

Manawatu A&P Association, Judi Smith (Events Co-ordinator, Office) 06 - 323 1886

Selwyn Donald, (Chairman) 06 - 308 9942

Neville Turnbull, (Secretary) 06 - 367 8089

See you in January at the 2012 New Zealand Dairy Event

Selwyn Donald
Chairman for NZ Dairy Event

Early Arriving Cattle: Because of the distance some exhibitors have to travel, the South Island cattle will be allowed in the stadium on Saturday 21st January, exhibitors north of Taupo and Te Kuiti their cattle will be allowed in the stadium on the Sunday and all other cattle can be stalled from the Monday. Any queries regarding the arrival of your cattle please contact the Chief Steward, Charlie Cox (ph) 027 228 7676.

We expect all exhibitors to keep their stalls clean and tidy at all times and encourage those that want to dress up their stalls please do so. All rubbish is to be placed in the rubbish bins provided and all cattle waste, sawdust, straw etc to be placed in the allocated/signed areas. We ask all exhibitors not to bring the large bales of baleage inside the stadium. Unacceptable behaviour, drunkenness & under-age drinking will not be permitted. These are magnificent facilities;

“Failure to respect them could jeopardize our event in the future.”
